INTRODUCTION

THE BELHOOL GROUP

ABOUT US

Welcome to Belhool, your premier partner in Dubai's thriving real estate and construction industry. With a dedicated focus on supplying skilled labor to subcontractors, we play a vital role in contributing to the region's dynamic infrastructure landscape.

At Belhool, we recognize the pivotal role that labor plays in the success of construction projects. Our commitment lies in providing top-tier, specialized labor solutions tailored to meet the unique demands of the ever-evolving real estate and construction sectors in Dubai.

Our journey began with a vision to streamline the labor supply chain, offering a reliable, efficient, and professional workforce to subcontractors. We understand the intricate requirements of the industry and leverage our expertise to match the right talent with the specific needs of each project.

What sets us apart is our unwavering dedication to quality, reliability, and client satisfaction. We prioritize forging strong, lasting partnerships with subcontractors, ensuring that our skilled workforce integrates seamlessly into their operations, contributing to the timely and successful completion of projects.

Through meticulous vetting processes, comprehensive training, and continuous skill development programs, we maintain an elite pool of laborers proficient in various aspects of construction. Our commitment to adhering to the highest standards of safety and efficiency empowers our clients to focus on their core tasks while we handle the intricacies of labor management.

MEDICAL & INSURANCE

All expatriate's employees are medically insured, and they can avail medical treatment from approved hospitals in United Arab Emirates.

All employees are covered under United Arab Emirates, as well as workmen compensation. Vehicles/equipment's are covered under motor/equipment insurance policy.

OUR BUSINESS VISION

Our Vision is to be considered as an outstanding supplier of professional services to the construction industry and play a major role in the development and success of all industries in United Arab Emirates.

OUR BUSINESS GOAL

We believe that the services we offer to the industry in which we operate, coupled with our experience and delivery standards, strategically place us in a good position to capitalize on the country's economic growth.

CORE VALUES

Our Core Values set out the principles by which we conduct our business.

CUSTOMER FOCUS “Working in partnership, we aim to add value for our customers, as well as for Company. All of our decisions are taken with the customer in focus.”

SAFETY “We value our safety and the safety of environment.”

EXCELLENCE “We strive for excellence in everything we do, including service to our customers and the performance of our duties.”

TEAM WORK “We work with our clients as a team. Mutual respect provides the foundation for our success.”

INNOVATION “We promote an innovative culture and attitude. Innovation is a key driver for our growth.”

RESPONSIBILITY “We all share responsibility for our company as whole and for its results; Also performing our duties to the best of our ability and with integrity.”

OBJECTIVE

Belhool is having a long-time business association with all our valued clients in the industry. Every one of us, at services to patrons, takes this duty sincerely and very seriously. We believe that without your confidence through proven results we can't achieve the firm partnership.

To put up this solid business relationship, we are devoted to your requirement fulfillment and your success. We guarantee this with swift customer services, dependability, excellence and performance.

We are proud to present not only the best support but also the real solutions for your day to day problems. Whether you require manpower, equipment's, field

services or technical support, our crew lead by competent persons with vast experience of long years in the field, are ready to assist and serve you for the best outcome.

Our advanced resources management and accurate forecasting for all your needs in the industry is the best in the market and also serving each of our customers as the most valued one.

ORGANIZATION CHART

SAFETY & ENVIRONMENTAL POLICY

Belhool safety policy is to provide a safe and healthy environment for its employees at all times, and to do all that is reasonably practicable to protect their safety, health and welfare.

Belhool considers safety a top priority in its everyday activities. It is our policy to provide and maintain a Safety Program in accordance with Belhool, Health Safety Manual consistent with the best practices of the construction industry as well as those of our clients.

These commitments to the Safety Program will be firm, aggressive and shall be the responsibility of all line management to ensure that all operations are performed with utmost regard for the Safety and Health of all personnel under their direction. All levels of supervision shall be responsible to enforce viable safety requirement within their areas of accountability.

It is in the responsibility of every employee to support and promote the Safety and Health process in order to ensure a safe working environment.

Overall, we are committed to continually improving our Safety, Health and Environmental standards and performance, and will continue to maintain appropriate controls to ensure that this policy is being followed.
